

The **Manila International Book Fair** is the Philippines' longest running and largest book fair. For over 40 years, MIBF redefines the reading experience, showcasing the largest and most comprehensive collection of books, magazines, comics, educational aids, and allied materials.

MIBF exhibitors are not just local publishers and bookstores, but also book printers, foreign publishers, embassies, art and craft suppliers, artist groups, tech businesses, paper suppliers, libraries, etc.

Here's why you should be marking down the MIBF dates in your calendar:

- Manila International Book Fair is a platform for beneficial partnerships.
- Long-time fans, booklovers, readers and exhibitors come together to connect with one another and to gather for one purpose, to celebrate books.
- MIBF is not merely a venue to buy and sell books. It is a haven for writers, readers, and publishers to come together and celebrate their lover of literature.
- MIBF Events are not just for readers and writers, but also hobbyists, enthusiasts, artists, and much more!
- This is a good platform to promote your book.
