

## Video Advertisement Service

Having a video on YouTube is a great step in marketing your book.

The next step is to get that video in front of as many people as possible.

**Be seen where everyone is watching.**

We expertly utilize the largest advertising service on the internet and leverage it to your advantage. Our advertisements run on YouTube, Google and thousands of other websites and apps across the internet.

**Reach real readers on YouTube and Google.**

Our video advertisement is expertly crafted to put your video in front of real people who are actively looking for books in your genre or topic.

**We handle all the technical details.**

We create and run the advertisement for you. When your advertisement run is complete, we'll send you analytics that will help you understand your audience and inform your marketing strategy.

**Convert viewers into buyers.**

Our advertisement will lead readers to your Amazon book page or a website of your choosing to convert those viewers into buyers.

**We can promote any video on YouTube**
